Friend of Maitland, tenor Sphiwo Ntshibe dies suddenly

Maitland is deeply saddened by the sudden death of Sphiwo Ntshibe, a talented young tenor, in South Africa this week. Many of us have had the privilege of meeting Sphiwo who became a long term friend of Maitland. Sphiwo also performed at several Maitland events both in Europe and South Africa. His death from meningitis came as he was preparing to sing at the opening ceremony of the World Cup in just over 2 weeks' time.

We extend our deepest sympathy to Sphiwo's family and friends at this very sad time.
